

Supernatural Angel Wings

This craft will take up to 45 minutes to 1 hour.

Grab a minimum of 18 sheets of tissue paper.

Divide into 6 groups of three.

The more tissue paper you use, the fuller the wingers.

1. Fold each section in half.

2. On the side that's open, make cuts to the crease, but don't cut it completely.

3. Do this for all 6 pieces. It should look like this.

4. Open the folds a couple at a time.

5. Twist each section about 4 times. It's okay if it rips apart. You can still use it. Repeat for all 6 folds.

6. Hot glue the strip to the hanger. You should use 3 strips per side. It's okay if it overlaps, it looks fuller that way.

7. Take 2 pieces of pre cut ribbon and hot glue to the taped part of the wings.

Bend the hangers to shape the wings. Have someone help you tie them on.
